

The New Policies of The Mutual Life Insurance Co. Of New York

Have been carefully drawn so as to avoid as far as possible the use of unnecessary technical terms. The agreements and privileges are clearly and precisely stated, and the contract may be easily understood by its possessor.

They are the best of life insurance contracts and are issued by the BEST of all the companies in the world.

LIMITED PAYMENT LIFE POLICY.

By the terms of this contract the amount of the insurance is payable upon the death of the insured, and the premiums are payable during a limited number of years—twenty, fifteen or ten years.

The Limited Payment Life Policy is in many respects and for a large class of insurers a most desirable contract, providing as it does that the premiums shall all be paid in the early and productive years of life, thus the policy becomes fully paid up for the whole amount in a fixed number of years. Dividends are payable annually, or at the end of 5, 10, 15 or 20 years.

HOW MUCH WILL IT COST?

Between the ages of 25 and 31 years, inclusive, SIX TO SEVEN CENTS A DAY will be the "first cost" of a good \$1000 policy in life insurance.

Between the ages of 32 and 35 years, SEVEN TO FIFTEEN CENTS A DAY.

Between the ages of 36 and 45 years, SIXTEEN TO TWENTY-NINE CENTS A DAY.

Is there any healthy man or woman in America at work for wages who can not afford this "first cost" of a good \$1000 policy in the best and strongest company on earth?

A little self-denial in small things—pleasant things, perhaps, but unnecessary things—will pay the bill easily.

Different forms of policy's cost various prices.

OUR TWENTY-YEAR DISTRIBUTION POLICY on continuous life and limited payment plans affords the maximum of security at the minimum of cost.

OUR GUARANTEED INCOME POLICY provides a guaranteed income, secure investment, and absolute protection.

OUR ENDOWMENT POLICY provides a certain guaranteed sum, payable with profits at a fixed time.

OUR 4 AND 5 PER CENT BONDS furnish the best and most effective forms of indemnity and fixed annual income to survivors.

OUR CONTINUOUS INSTALLMENT POLICY so adjusts the payment of the amount insured as to create a fixed income during the life of the beneficiary.

OUR ANNUITY POLICIES offer an excellent opportunity for persons to obtain a high rate of interest on their capital for the remainder of life; an income safe beyond mishap. This form of investment is particularly recommended to those who desire to make provision for declining years, and to be free from business cares.

We have prices to fit all known wants. All we want to know is what you want. If you do not know, tell us enough of your condition and surroundings and we can suggest the policy best suited to your purpose.

Rates and guarantees cheerfully furnished on application.

SUPERVISORS WILL HEAR KEKAUOHA IMPEACHMENT

BOARD HEARS FORMAL CHARGES AND EVIDENCE OF MALFEASANCE AND MALADMINISTRATION AGAINST KOOLAUPU DEPUTY—SERIOUS CHARGES PRESENTED AGAINST THE OFFICER WHO WILL HAVE TO STAND TRIAL NEXT MONDAY NIGHT.

Serious charges against Deputy Sheriff Kekauoha of Koolauloa were presented to the Board of Supervisors last night. The deputy sheriff was charged with malfeasance and maladministration of office, and his removal was requested in formal charges which were laid before the Board. The charges bore the signatures of thirty-seven Koolauloa residents.

The first charges against Kekauoha that were read were those made by Wade Warren Thayer, the attorney. Those charges had already been read some months ago to the Board, but as the communication from Thayer had come in the form of a statement of facts and not in the form of any formal charge against Kekauoha, no action was then taken. Thayer's statement went to show that the officer had acted in a very questionable manner, to say the least, in the handling of certain Chinese defendants of Thayer.

The other charges were even more serious. The evidence in those charges was contained in three affidavits by parties living at or near Laie. The second charges were in the so-called Ah Kin case. Kekauoha was accused of having demanded \$250 "for the government," as he put it, before he would allow the prosecution of Ah Kin to be dropped. The Chinese Ah Kin was arrested on March 17 of this year at Laie and charged with having had sexual intercourse with a native girl. The mother of the girl stated in the affidavit which was read to the Board, that after the Chinese had been arrested it was suggested to her that the man marry the girl and the Chinese said he was willing to do this. The woman stated that Kekauoha had demanded that \$250 be paid to him for the government before he would permit the case against the Chinese to be dropped. A similar charge was made by the Chinese. In the affidavit of the girl she stated that she had heard her mother say that the case against the Chinese would not be dropped unless Kekauoha had been paid \$250. The girl also stated in her affidavit that Kekauoha had told her to state that the Chinese had been the first person who had had intercourse with her, when she knew that this was untrue and had said so.

The evidence of charges of maladministration against Kekauoha came in the form of three affidavits, from Sheriff A. M. Brown, Chester A. Doyle and Officer J. Leal, and dealt with the conduct of Kekauoha in the recent Kahuku murder. The affidavits of the three officers dealt at some length with the details of Kekauoha's apparently willful neglect of the interests of the Territory in working up the evidence in the murder case.

"Well, if all of those statements are true, he is a peach, that's all," quipped Chairman Smith.

The chairman then called attention to the section of the county law which provided for the supervisors to sit as an impeachment board and asked when such meeting should be held when the evidence against Kekauoha could be heard and the accused man defend himself. It was finally decided to have the impeachment on Monday night, April 16, at 7:30 o'clock. Chairman Smith stated that copies of the various affidavits should be forwarded to the accused so that he would have the opportunity of preparing a defense. The chair stated that the county attorney would be requested to be present at the proceedings.

County Attorney Douthitt stated that while there were a number of charges against Kekauoha, he would prefer that some formal charge be drawn up against the accused officer, the matter read to the Board had consisted of the evidence. After some discussion it was decided by the chair, upon the suggestion of Moore and Archer, that the first communication signed by the residents of Koolauloa formally charged the accused.

Then a discussion ensued as to the manner of conducting the investigation, and what the expenses of bringing the witnesses to the city would be. Adams said that the Board ought to be certain that the signatures on the charges were genuine. Lucas thought so too. There was some discussion as to whether all of those whose names had appeared on the charges should be required to attend the trial of the officer. Adams said that it was expected that they should come for they had made the charges. Archer suggested that it would be wiser for the Board to go to the other side of the island to hear the case. But the matter was finally ended by deciding to have the trial held at Honolulu next Monday night. It will be the first trial of the kind in the history of county government in Oahu.

20-MINUTE SERVICE FOR KAIMUKI

RAPID TRANSIT DECIDE TO GIVE
KAIMUKI A TWENTY-MINUTE
SERVICE—TART APRIL 15.

On April 15 a ten and twenty-minute car service will be put on the Hotel, Beretania and Waiwale road lines. The board of directors of the Honolulu Rapid Transit & Land Company so decided yesterday.

A car will leave Wyllie street every ten minutes, as at present, for River street, alternate cars running through to Waiwale, and the other car running as far as, and turning back from, River street switch. Every inbound car from Liliha street will make close connections with every inbound car on King street at the foot of Liliha street, while every outbound car on King street will make close connections with every outbound Liliha street car at the same point.

Every alternate car on the Liliha street line will go along Hotel and Beretania streets to Pawa Junction, continuing right along to Waiwale. Passengers boarding a Hotel street car anywhere on the town side of River street will not have to change cars in future to get to Waiwale.

At Pawa Junction the inbound car from Waiwale will arrive three minutes in advance of the inbound King street car, enabling the Waiwale passengers to continue either on the through-bound car or transfer to King street, while the outbound King street cars will arrive at Pawa Junction three minutes in advance of the outbound Waiwale car, so that passengers boarding the King street car in town will make close connections for Waiwale.

Transfers will be given as heretofore at the junction of King and Liliha streets to the King and Liliha street cars. Every inbound Liliha car will connect with an inbound King street
